

BECOME A VOLUNTEER BUDDY AT CENTER FOR FAMILY CONNECTION!

We are seeking people to be part of our Family Connection Program as a "buddy" to a child. Gain unique experience, skills to best support children, and fulfillment knowing YOU can make a difference!

As a buddy, you will:

- Receive training in Trust-Based Relational Interventions (TBRI)
- Learn co-regulation techniques through movement, structure and nurture.
- Get to know other caring people who share a desire to learn, love, and play!

The weeklong program combines CFFC programming in the morning with MESA Farm programming in the afternoon. The morning program is a sensory-rich, attachment-focused, and trauma-informed experience led by a multidisciplinary team.

Ratio of staff to children is 1:1.

"What I learned in the training and then practiced by being buddy has changed the way I see people – in a positive way!"
– Bobby, a returning volunteer buddy
